

NEWSLETTER AUTUMN/WINTER 2018

Film Afternoon We hope the children enjoyed our screening of Peter Rabbit and Paddington 2 at the end of term.

Reminder: please don't park on the grass as requested by Leaf Creative

Tea Towels have gone to print!

If you forgot to order any before the deadline we have a few spare, but not many, so first come, first served!!

We raised £4729.45 in the last school year!

We

have replaced the outdoor tap for Forest Schools, paid for the perspex in the kitchen area, subsidised a trip, paid £784 for music tuition and paid £1140 for Maths Resources. We have also obtained some quotes for movable planters and/or bollards to help keep the children safe in the carpark during drop off and pick up, are looking into replacing the Dishwasher and are in the process of obtaining costings for repairs to the trellis in the centre of the Playground and for making the slope down into the Playground safer. We previously obtained quotes for replacing the grass areas in the playground with Astro Turf and for a Bike Shed but these options were out of our price range!

Tesco Community Award Scheme The PTFA have submitted an application for funding through this scheme which has been accepted. Our application is to help make improvements to the five areas of wellbeing in the playground as part of the schools Positive Playtime Practice, in particular a quiet, calming, reflection area to enhance positive mental health. This area will be closely linked to our strong school values of Courage, Perseverance, Truthfulness, Wisdom, Generosity, Forgiveness, Responsibility, Friendship, Respect, Justice, Peace and Thankfulness. We would like to create mosaics for each of our school houses and values. The children will be fully involved in the design and it will be a celebration of their work with different children producing work to display over the year, linked to our Forest school programme.

NEWS UPDATE
